

# Magnum Force Extra

## HEAVY DUTY TRAFFIC FILM REMOVER

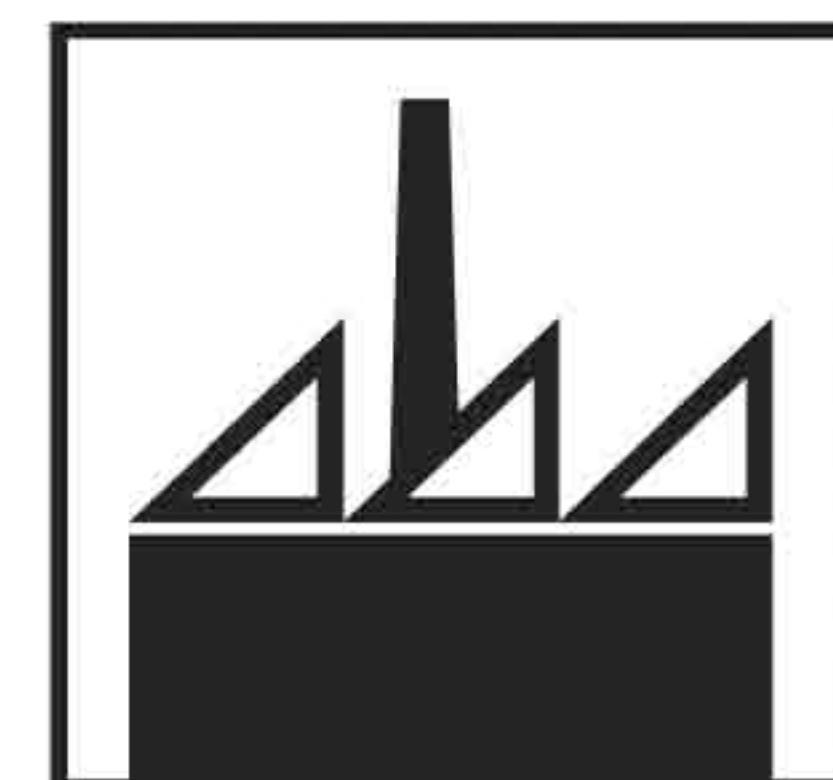

- **Powerful formulation**
- **Fast action - saves time and labour**
- **Concentrated product for economy**

A powerful, concentrated, alkaline pressure washer additive for removing traffic film and dirt.

The orange liquid has been designed with controlled foam levels to ensure a free-rinsing finish and effective degreasing action.

Suitable for removing heavy layers of traffic film, diesel fumes and dirt from heavy plant equipment and buildings.

Use throughout the automotive industry for cleaning all makes of cars, vans, lorries, tankers, curtain-sided vehicles and commercial vehicles. MAGNUM FORCE EXTRA is recommended for cleaning vehicles involved in the transportation of meat and food stuffs, as it is non-tainting and odourless.

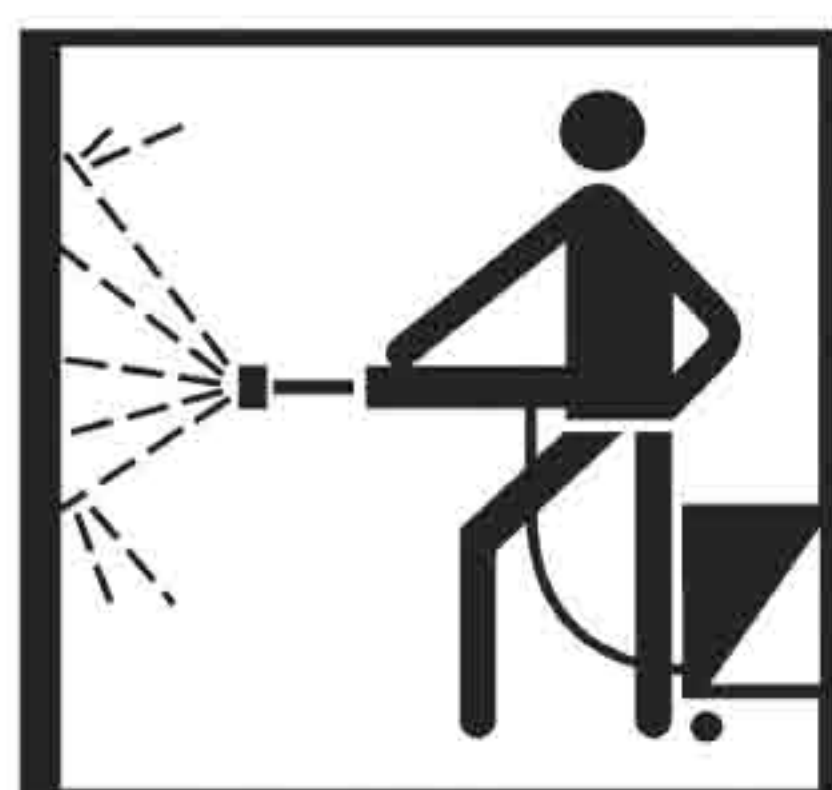

## DIRECTIONS

Dilute with water according to the area to be cleaned. Pre-dilute MAGNUM FORCE EXTRA before filling the detergent feed tank. Adjust the detergent feed rate to achieve the cleaning action required. Apply to the surface using pressure washer equipment. Rinse off immediately with plenty of clean water.

N.B. DO NOT ALLOW MAGNUM FORCE EXTRA TO DRY OUT ONTO SURFACE OR STAINING MAY RESULT.

N.B. NOT TO BE USED ON ALUMINIUM AND OTHER ALKALI SENSITIVE SURFACES.
