

Scrub Kleen

LOW FOAM CLEANER

- **Powerful - suitable for heavy duty applications**
- **Low foaming for use in scrubber driers**
- **Concentrated for maximum economy in use**

A heavy duty low foam cleaner, especially designed for use with scrubber drier machines.

Scrub Kleen is a water-based and fragrance-free formula for use in all industrial environments.

Suitable for cleaning a variety of surfaces, including; concrete floors, industrial painted floors and ceramic tiles to remove carbonised deposits, dried oil, fats, grease, general dirt, blood, protein, rubber and starch.

Ideal for use in the food industry, factories and warehouses or in engineering and manufacturing environments.

DIRECTIONS

Dilute according to the level of soilage with cold or warm water. Apply using a scrubber drier.

SCRUB KLEEN : WATER		
Heavy Soil 1:100	Medium Soil 1:150	Light Soil 1:200
