HEAVY DUTY BACTERICIDAL CLEANER

- **Powerful - removes heavy soil**
- **Kills 99.999% of bacteria (passes BS EN 1276 at 1:200)**
- **Non-tainting - safe for the food industry**

A concentrated bactericidal degreaser, which kills 99.999% of bacteria. Tested to BS EN 1276 at a dilution of 1:200 by an independent laboratory.

An odourless, alkaline hard surface cleaner and degreaser incorporating a bactericidal system. Extra strength for the rapid removal of heavy soiling.

Suitable to clean blood, fat, food, grease and oils from stainless steel, stone, concrete and plastic.

Essential for all areas where cleaning and sanitising is vital, including; bakeries, abattoirs, meat processing, breweries, animal handling, food factories and kitchens.

DIRECTIONS

Dilute with cold or hot water according to the level of soiling. Mop, spray, scrub or pressure wash with SOLA-BAC then rinse away with clean water.

SOLA-BAC : WATER			
Heavy Soil 10%	Medium Soil 2%	Light Soil 1%	Sanitising 0.5%

Use biocides safely. Always read the label and product information before use.
