

Zip Strip

RINSE-FREE FLOOR STRIPPER

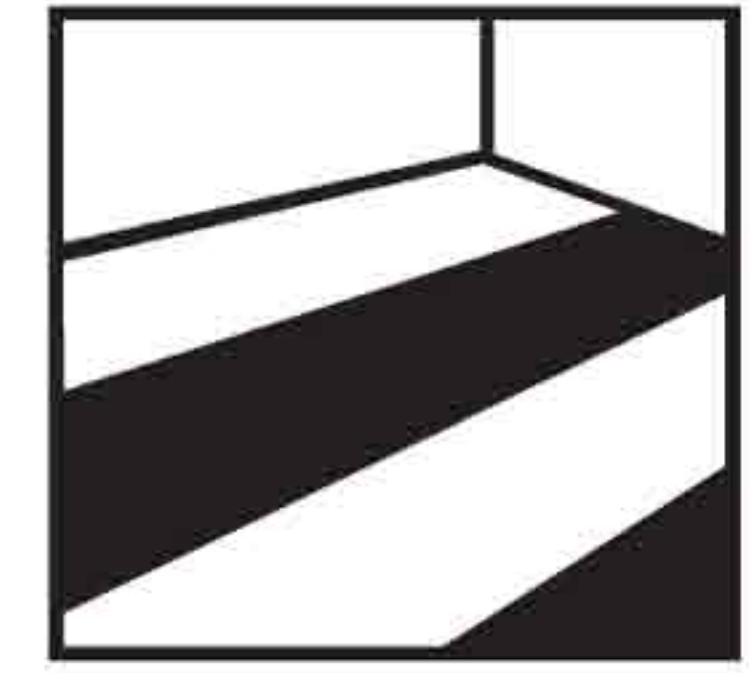

delivering solutions

- **Non-rinse formulation - reduces labour cost and time**
- **Rapidly removes heavy build-up of polish**
- **Versatile - suitable for mop or machine application**

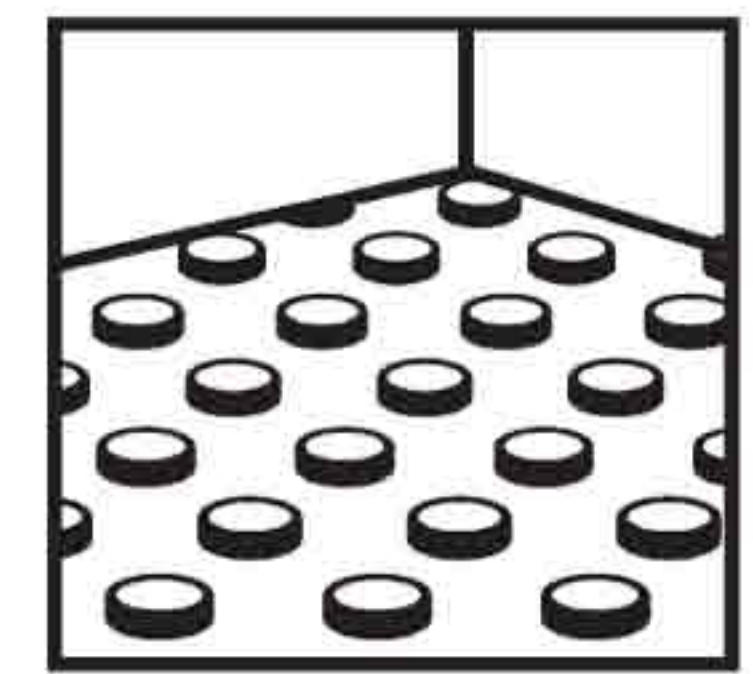

Zip Strip is a clear, water-based stripper to remove metallised and non-metallised floor polishes.

The modern, caustic-free formula reduces the risk of ongoing polish problems and the rinse-free formulation reduces preparation time.

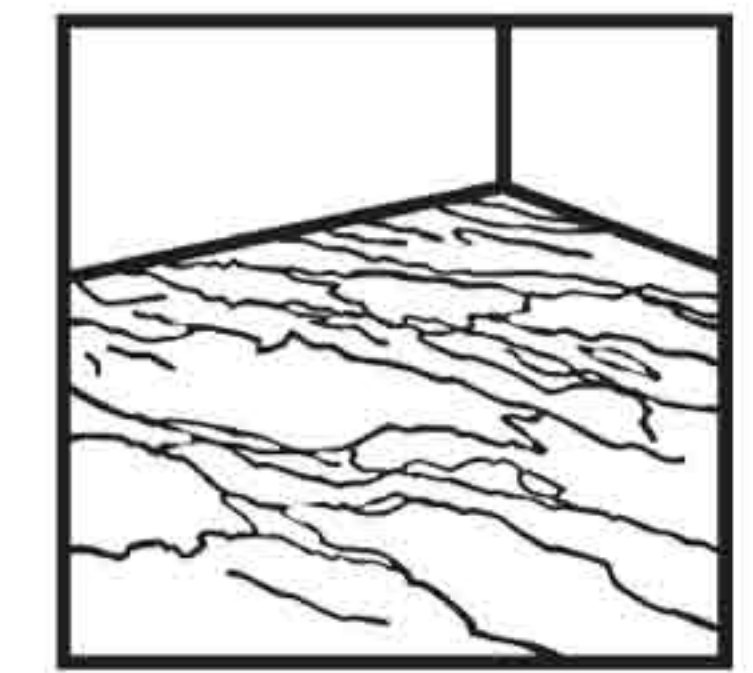

Use to remove metallised and non-metallised floor polishes from PVC, thermoplastic, rubber, marble and terrazzo.

PVC

Rubber

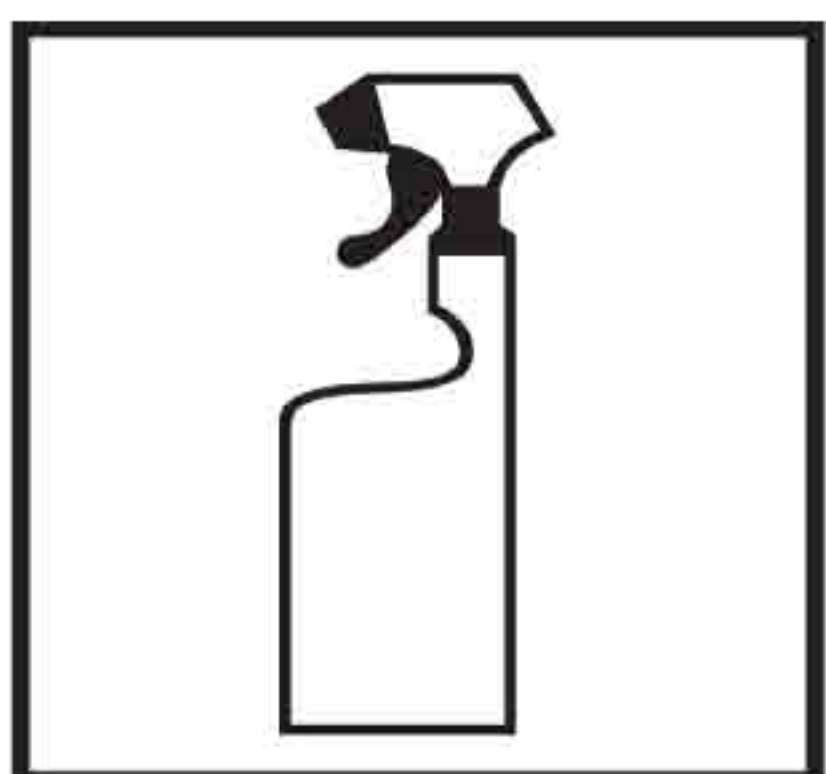

Marble

DIRECTIONS

Test for surface compatibility before use. Always brush floor to remove debris before application. Dilute Zip Strip with water according the required usage and apply to the floor with a mop or triggerspray. Allow 5-10 minutes contact time, agitate using a scrubbing pad and mop or extract as much slurry from the floor as possible.

N.B. May alter the colour of wood or linoleum floors. Some varnishes may be softened or removed. Always test surface compatability prior to application.

ZIP STRIP : WATER			
Normal Use 1:5	Heavy Build- Up 1:3	Machine Strip 1:5	Spray Strip 1:5
